Sir:

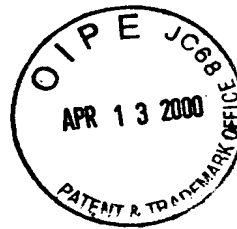

The filing receipt for the subject patent application has been received and reviewed for accuracy. Two discrepancies have been discovered. In view of the errors noted, it is respectfully requested that a corrected filing receipt be issued in this application. Since these errors are believed to be errors of the Patent Office, such changes should be made at no expense to the applicant. However, if any fee is believed to be necessary, authorization is given to charge Deposit Account No. 01-0484.
